Subject: Addition to the Notification to economic operators before the formal start of the public procurement procedure with the aim of prior market research

The Croatian Academic and Research Network – CARNET published the Notification to economic operators with goal of prior market research for the public procurement procedure for designing, implementing and maintaining a high-performance and scalable Moodle system as well as Moodle system interface redesign and user experience optimisation in the 2nd phase of the programme: “e-Schools – a comprehensive informatization of school operation processes and teaching processes aimed at the creation of digitally mature schools for the 21st century” on May 27th 2019.

Due to large interest of economic operators, The Croatian Academic and Research Network – CARNET hereby extend the deadline for comments and suggestions, as well as the estimated value, to June 12th 2019.

All other information and requirements from the Notification remain unchanged.
